PROFILE

My name is Calah but most people call me by Ashley and as a Graphic Designer it is an ongoing process to create and connect with clientele and my online audience. This means developing a new professional identity that sends a clear message about who I am and what makes me stand out from the rest in the industry. My willpower as a Designer has grown even more stronger than ever before.

SKILLS

Concept Development

WORK

Graphic Designer I @ LA Sanitation & Environment 2019 - NOW

As a Graphics Designer under the Supervision within the Public Affairs Office is responsible for working independently on a variety of project designs.

[In-house] Graphic Designer @ Bedrock Sports, Inc. 2018-2019

As an Administrative staff member, I execute print and digital communications that translate business and marketing objectives into designs that are clear and visually easy to understand.

Museum Guide @ Cabrillo Marine Aquarium 2009-2019

As a library assistant, I performed clerical duties in a library. As a paraprofessional, I helped patrons select materials but refers requests for more in-depth research for our head librarian. h
